ANNUAL REPORT 2022

It has been a busy year at CDAC. In April we welcomed our new Clinic Manager Karen, and in early May we said farewell to Dr. Ian Wong, who returned to Vancouver to private practice. In May we welcomed Carmen, our new Registered Dental Hygienist. In June we said goodbye to our long-time receptionist Wendy and welcomed our new receptionist, Anya. We welcomed new volunteers Tina and Joni to our team in June, and in July our new part time receptionist Anita joined us. Our reception volunteers are an amazing group who provide crucial support to our team. We are so incredibly grateful to Joyce, Sharon, Donna, Pat, Tina, and Joni for all their time and efforts.

As the need for our service continues to grow, we are expanding and are currently recruiting additional staff, including a dentist and CDA. Our patients are struggling more than ever to afford care, which has resulted in more patients accessing our Angel Fund. We are also looking at ways to increase discounts to help our patients, as well as ways to raise more awareness and increase donations. We are happy to have partnered with Dr. Kyleen Myrah and her Social Entrepreneurship students from Okanagan College, who are helping us seek new and innovative ways to serve our community.

Thank you to all our donors and supporters who provide us with the resources to continue this work in our community!
